A rooky must be able to update an application, which consists in submitting a solution to the corresponding problem.

Access

Main Menu > Login > Login(rooky1/rooky1) > Applications > Pending applications > Submit(Position6-Rooky1)

Application: List

One item found.					
1					
Position	Rooky	Status	Problem		
Position 6	Rooky1	Pending	Problem 6	<input type="button" value="Submit"/>	<input type="button" value="Display"/>

Tests

Test #36	
Description	Inside Applications (hover) click on Pending applications, then hit Submit button in the only row of the list. You will obtain a form, hit Submit without filling any field.
Expected	System must return the same form with validation errors message: <div><h3>Application: Edit</h3><div>Explanation <input type="text"/> Must not be blank</div><div>Link <input type="text"/> Must not be blank</div><div><input type="button" value="Submit"/> <input type="button" value="Volver"/></div></div>
Outcome	
Notes	

Test #37

Description

Inside Applications (hover) click on Pending applications, then hit Submit button in the only row of the list. You will obtain a form, write the following data:

Explanation: "Explanation example"

Link: "<https://www.linkedin.com/>"

Finally hit Submit button to update the application

Expected

First, system must provide you a form to write a Explanation and a Link:

Application: Edit

Explanation

Link

Click on Submit and system must redirect you to this list, where we can see that application has been updated

Application: List

3 items found, displaying all items.

1

Position	Rooky	Status	Problem	
Position 1	Rooky1	Submitted	Problem 1	<input type="button" value="Display"/>
Position 4	Rooky1	Submitted	Problem 5	<input type="button" value="Display"/>

Use case UC038 An administrator can notify a data breach

Description

An administrator must be able to notify a data breach in the system

Access

Main Menu > Login > Login(admin1/admin1) > System actions(hover) > Notify of a data breach

Tests

Test #62	
Description	You must click on Notify of data breach button inside System Actions (hover)
Expected	System must confirm that the notification has been sent
Outcome	
Notes	

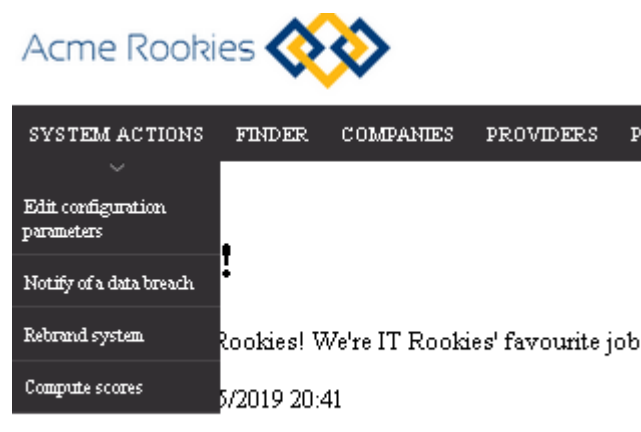

Use case UC039 An administrator can notify all users of a rebranding

Description

An administrator must be able to run a procedure to notify the existing users of the rebranding.

Access

Main Menu > Login > Login(admin1/admin1) > System actions(hover) > Rebrand system

Copyright © 2019 Acme Rookies Co., Inc.

Tests

Test #63	
Description	You must click on Rebrand system button inside System Actions (hover). Then fill in System Name field with "Dtesting" and hit Rebrand button.
Expected	<p>First, system must return this form:</p> <div><h3>Edit system brand</h3><p>System Name: <input type="text"/></p><p><input type="button" value="Rebrand"/></p></div> <p>After clicking on Rebrand, system confirm rebranding of the system, and consequently the notification to all system users:</p> <div><p>SYSTEM ACTIONS FINDER COMPANIES PROVIDERS POSITIONS DASHBOARD CREATE NEW ADMIN CREATE AUDITOR</p><p>en es</p><h2>Welcome!</h2><p>Welcome to DTesting! We're IT Rookies' favourite job</p><p>Current time is 12/05/2019 21:13</p><div>Rebranding process finished, notification sent. The system allow rebrand system only once.</div><p><input type="button" value="OK"/></p></div>

	<i>Note: rebranding system not only notifies, it changes system brand too.</i>
Outcome	
Notes	

Use case UC040 An administrator can create new auditors

Description

An administrator can create user accounts for new auditors

Access

Main Menu > Login > Login(admin1/admin1) > Create auditor

Tests

Test #64	
Description	<p>We must click on Register as Company button, and introduce the following data in the form returned:</p> <p>Username: "auditor" Password: "auditor" Surname: "auditor, AUDITOR" Photo: "https://i.ibb.co/41rMdFX/logo2.png" Email: "auditor@us.es" Phone: "666666666" Address: "C/ auditor N 40" VAT: "0.21" Holder: "auditor" Make: "VISA" Credit Card Number: "3704 753433 47726" Expiration Month: "08" Expiration Year: "19" CVV: "223" Accepted the terms and conditions: Clicked</p> <p>And finally you must save them (hit Save button). Note that system automatically add country prefix to the phone number: +34 666666666.</p>
Expected	System must return a form that you must to fill in:

Auditor: Edit

Tests

Test #83

Description	<p><i>Click on My Positions and click on Sponsors in the row corresponding to the Position 6. System must return a blank form, where you must introduce:</i></p> <p><i>Banner: https://ghc.anitab.org/wp-content/uploads/sites/2/2017/08/example-banner-announcement-1.png</i></p> <p><i>Target page: https://ghc.anitab.org</i></p> <p><i>Holder name: provider</i></p> <p><i>Make: VISA</i></p> <p><i>Number: 47164779200</i></p> <p><i>Expiration month: 02</i></p> <p><i>Expiration year:21</i></p> <p><i>CVV: 770</i></p> <p><i>Finally hit Save button.</i></p>
-------------	--

Expected

First, system must return a blank form, which must be fill:

Edit sponsorship

Banner
Target page
Holder name
Make
Number
Expiration month
Expiration year
CVV

Edit sponsorship

Banner
Target page
Holder name
Make
Number
Expiration month
Expiration year
CVV

As a result of saving sponsorship, system redirects us to My sponsorships, and we should see our new sponsorship in the listing
