Use case D030 Register as an administrator

Description

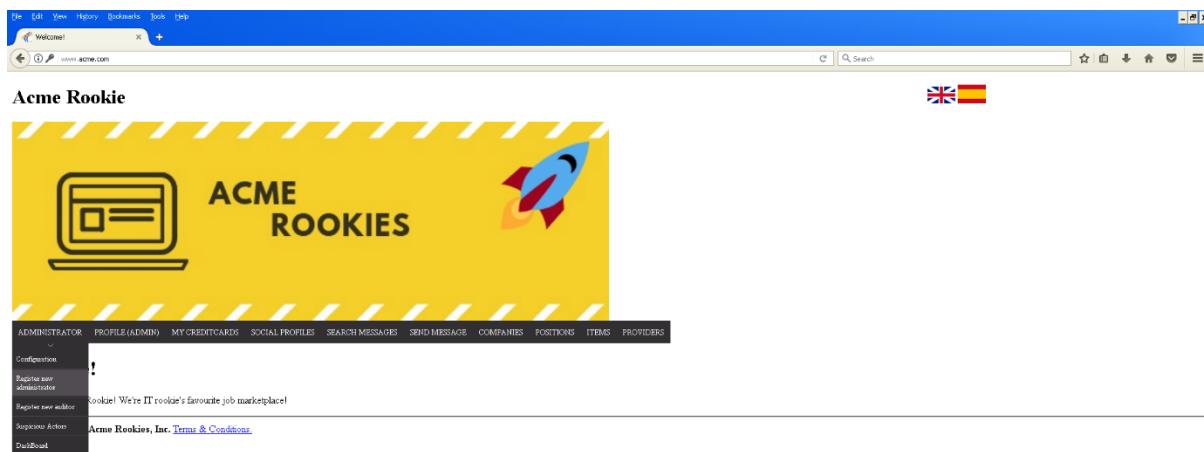

An authenticated administrator wants to register an account for a new administrator. This person fills the form with data of the person to register, and then clicks on the “Save” button.

Access

When the user is authenticated as an administrator, he or she clicks on the first menu (“ADMINISTRATOR”).

Then, he or she goes to “Register new admin” menu

And here, fills the form with the data required.

The screenshot shows a Firefox browser window with the URL www.acme.com/administrator/create.dz. The page has a yellow header with the 'ACME ROOKIES' logo, featuring a laptop icon and a rocket ship. Below the header is a navigation bar with links: ADMINISTRATOR, PROFILE (ADMIN), MY CREDITCARDS, SOCIAL PROFILES, SEARCH MESSAGES, SEND MESSAGE, COMPANIES, POSITIONS, ITEMS, PROVIDERS. The main content area is titled 'Create administrator'. It contains two sections: 'Personal Data' and 'Account Data'. Under 'Personal Data', fields include Name, Surname, Photo, Email, Phone number, Address, and VAT. Under 'Account Data', fields include User name, Password, and Repeat the password again. At the bottom left are 'Save' and 'Cancel' buttons, and at the bottom right is a copyright notice: 'Copyright © 2019 Acme Rookies, Inc. [Terms & Conditions](#)'. The taskbar at the bottom shows icons for Start, Firefox, and Create administrator, along with system status indicators like battery level and time (9:11 PM).

The user enters to our web application (www.acme.com)

Then, he or she goes to “Sign up” menu.

Here, the menu will drop some submenus. The user clicks on “As a provider”.

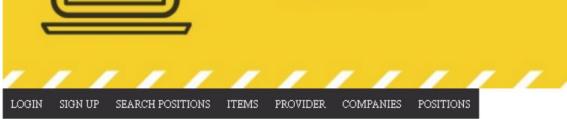

And here, fills the form with the data required.

Tests

Test #1	
Description	Expected
The form must be filled in with the following data: name: 'Luis', surname: 'García Jiménez', email: 'luigarjim@email.com', phone number: '+34 (655) 456789', address: 'Calle Andalucía número 2', VAT: '4', make: 'Luis e Hijos', username: 'provider12345', password: 'provider12345', repeat password: 'provider12345'. The checkbox must be checked too.	The system redirects the unauthenticated user to the welcome page.

Outcome	<p>BUG: If the checkbox of terms and conditions is not checked, it is also possible to register to the system and this view is also displayed:</p> 
Notes	

Test #2	
Description	The administrator clicks the “Save” button without filling any of the inputs in the form.
Expected	The system shows an alert window when there is no phone number or it does not pass the pattern. The administrator clicks on ‘Yes’ ¹ , and then, the system redirects the user to the form with some errors on screen ² .

The screenshot shows a web browser window with the title 'Create provider'. The URL is 'www.acme.com/provider/create.do'. The page has a yellow header with the 'ACME ROOKIES' logo. Below the header is a navigation bar with links: LOGIN, SIGN UP, SEARCH POSITIONS, COMPANIES, POSITIONS, ITEM, PROVIDERS. A sidebar on the left contains sections for Personal Data (Name, Surname, Photo, Email, Phone number, Address, VAT, Make) and Account Data (User name, Password, Repeat the password again). At the bottom of the sidebar is a checkbox for accepting Terms & Conditions. A modal dialog box is displayed in the center-right area, stating: 'The phone number you entered seems to be invalid. Do you want it to be saved anyways?'. It has 'OK' and 'Cancel' buttons. At the bottom of the page, there are 'Save' and 'Cancel' buttons, and a copyright notice: 'Copyright © 2019 Acme Rookies, Inc. [Terms & Conditions](#)'. The status bar at the bottom shows icons for Start, Stop, Refresh, and Create provider.

3.

This screenshot shows the same 'Create provider' form as the previous one, but without the modal dialog. The error message 'The phone number you entered seems to be invalid. Do you want it to be saved anyways?' is now displayed directly below the 'Repeat the password again' field. The rest of the form and its fields are visible.
